 animal
 noise

interior Summary

area is dry, gravelly, has several bldgs, which are to
light yellow, tan, run-down, low, rectangular, flat roofed
relatively low cost, with flat tops, different levels, rambling

ADL Boock
wire rambling
part of no gate
Naco, AZ.

ADL Blk
facade

Conty of interest is a building that has two
levels or stages, one on top of the other, but smaller in extent.
Other bldgs group around it, & there seems to be a structure
perhaps a parking area around top of 2d stage
